2019 BOURBON BARREL-AGED PETITE SIRAH

CLARKSBURG

WINEMAKING NOTES	Winemaker Eric Aafedt purchased 52 used American oak bourbon barrels to age our heritage Petite Sirah. With a whisper of whiskey left in each one, these barrels imparted subtle and sultry characteristics into the wine, including a richer mouthfeel, deeper toast and higher alcohol. The joining of Kentucky bourbon and Clarksburg Petite Sirah have once again brought you a wine to savor, relish and love with each sip.
TASTING NOTES	This vintage showcases the brighter berry tones of Petite Sirah, with Bing cherry, and raspberry paired with the classic whisky lactone notes of vanilla, coconut, white pepper and sweet clove brought forth from the whiskey-soaked staves. The residual bourbon left behind adds to viscosity and brings a softer mouthfeel to Petite Sirah which is often known for its substantial structure.
