

To Our Valued Customers

Sunday, March 15th, the State of California directed all bars, wineries and brew pubs to close their doors to the public due to the Coronavirus (COVID-19) situation.

Bogle Winery will be following the State's lead and closing our Tasting Room in Clarksburg. This includes all tastings, bottle sales, events, and picnicking. Our family feels this is the most responsible course of action to reduce risk to customers and staff.

Though our doors may be closed, we understand that many of you might want to enjoy Bogle from the comforts of your home. At this time, we will be offering Bandwagon members FREE SHIPPING on any new orders. We will also offer FREE SHIPPING of your current wine selection, if you are a Will Call member who has not yet picked up. Please email bandwagon@boglewinery.com if you would like us to do so.

For those who are not club members, we will be offering the 20% Bandwagon discount to any shipping orders we receive through April 1st. Orders can be made by emailing tastingroom@boglewinery.com.

At this time, we know that there is much uncertainty out there, but we appreciate your patience as we navigate these ever-changing times.

Be healthy and safe,
The Bogle Family & Staff
