

Hello everyone,

What we wouldn't give for a Friday Alfresco right about now...  
We miss our guests, and from your emails and inquiries, we know that you miss us too!

Currently, our tasting room remains closed. We are working on some much-needed updates so that when you return, the experience at our Home Ranch exceeds your expectations!

In the meantime, there are a variety of ways that you can enjoy our wines.

As always, our Traditional Line of wines is readily available at most local retailers and wine shops. We appreciate those of you who bring our bottles home with your weekly grocery run!

[Our online wine shop](#) is now open 24/7 for those of you who prefer to shop from your couch. Our Limited Releases, including such wines as the Sparkling Rosé and Bourbon Barrel Aged Petite Sirah, are available with the click of your mouse, as well as our Juggernaut and Phantom wines. The Traditional Line is also available in the shop. In coming weeks, we will have merchandise and wine gift packs available as we get closer to the holidays, so keep an eye out for more information.

If you are local, you can pick up your online orders using our curbside pickup. Scheduling is easy, and if you have any questions, our staff is here to help you navigate right to our doors!

Our family wants to THANK YOU for your continued support and wishes you a happy Harvest season!

**Cheers!**  
**The Bogle Family**
