

Welcome, 2021.

We've been waiting for you. And we have high hopes!

A continued thank you to all our customers for your patience as we work to update our Home Ranch property. These projects have been long overdue, and we expect them to continue for at least a few more months. In the meantime, there are a variety of ways that you can enjoy our wines.

#### *Our Online Wine Shop*

With just a [click](#), you can learn more about our traditional line of wines, our [Phantom](#) and [Juggernaut](#) brands, as well as our Limited Releases, such as our Bourbon Barrel Aged Petite Sirah and our Reserve Pinot Noir! Purchasing is easy, and if you are a club member, your discounts are automatically applied to your purchase when you log-in.

#### *Virtual Tasting Packs*

Join Jody Bogle and Winemaker Eric Aafedt as they taste through a flight of your favorite Bogle wines. They will share family history, winemaking secrets and answer your questions from the comfort of your own living room! Simply order our [Virtual Tasting Pack here](#) and join us on February 11th for the fun... Can't watch us live? That's okay. The tastings will be saved on our [BogleWinery YouTube](#) channel so you and your bubble peeps can taste with us anytime!

#### *Gift Certificates*

These [easy-to-order](#) certificates never expire and allow your recipient to peruse our shop, finding something to their liking. Certificates can be used for shipping orders, as well as orders arranged for curbside pickup here in Clarksburg. Each gift certificate is sent to your recipient via email, so you can send a little Bogle love with just a few clicks!

#### *Shipping*

Our list of states we can ship to keeps growing! We are now up to 30 states and have added several just in the last weeks. Club members continue to receive \$1 SHIPPING with a purchase of 12 bottles, and our flat standard shipping rates are \$10/case in CA, \$20/case outside CA. [Click here](#) to see if we can ship to you!!

### *Curbside Pickup*

Many folks still don't know that we are open for curbside pickup by appointment! Our staff is here **Monday – Saturday 11am-3pm** to safely load your wine up for you. All orders from our [e-shop](#) can be scheduled for curbside. Simply select that option when you select your wines for purchase. *Any wine club members who have a Will Call pick up can continue to come out to pick up their selection without an appointment.*

We eagerly look forward to the time when we can welcome you back and provide an experience that exceeds your expectations!

**Cheers,  
The Bogle Family**
