

HOME RANCH RE-OPENING

It has been a year since we had to close the tasting room, but we are thrilled to finally be able to announce our reopening plans for later this Spring.

We have been extremely fortunate to see so many of you travel near and far to visit our home in Clarksburg. It has been humbling to watch as the number of visitors to the tasting room has increased every year. However, we have heard from many of you about how the experience has changed, that it had "become a bit too crowded," that it was "no longer as quiet" as it used to be, that you no longer could "ask questions" with our staff and so on.

We want to let you know, that we have heard you and are going back to our roots to create a unique and personalized experience.

Beginning May 1st, we welcome you back to the Home Ranch, with tastings and picnics offered by reservation only.

Tasting Experiences will be available Thursday through Sunday and will cost \$20 per person. Reservations can be made online at boglewinery.com, or by calling 916-744-1092 starting April 15th.

What will it look like?

Groups of up to 6 guests will be guided through an hour and a half experience in which guests will select their own customized flight from our wide range of traditional and limited release wines offerings. (Larger groups are currently not allowed due to COVID regulations.)

What if we want to stay longer?

We've been working hard on our grounds, so that there are more spaces to enjoy when you're finished with your tasting. We encourage you to grab a glass or bottle of wine to linger with, perhaps on our newly appointed Vineyard Patio.

Can we still picnic on the grass?

We know you love to relax and enjoy an afternoon at Bogle, so we have created a special picnic area where guests may reserve a table Thursday through Sunday. You'll bring your own picnic lunch and we'll provide the rest: your choice of two bottles from our traditional wine list (or one reserve/limited

release), six glasses, corkscrew and a tote bag to take home. This two-and-a-half-hour reservation costs \$100 for up to six guests. (Club members- free!)

What if we want to purchase wine, apparel or food?

Our new Wine Shop is ready for retail therapy, no reservation required! Located in what was previously the downstairs tasting room, the Wine Shop will be open daily from 11am to 5pm. You will be able to purchase wine, browse regionally-sourced food and crafts, peruse the newest Bogle apparel, and pick up any wine orders or wine club shipments.

What if I am a club member?

We are so excited to offer members-only days, Monday, Tuesday, and Wednesday, when only club members have the ability to make reservations for our picnic area. Reservations for picnic tables are always FREE for club members (a \$100 value!) Club members also receive discounted tasting fees for up to 4 guests and will continue to receive 20% off all wine and merchandise purchases.

We will have more details in the coming weeks about the reopening, especially as COVID-19 restrictions ease and we are potentially allowed to bring back events and other large gatherings at the Home Ranch.

Our family cannot wait to welcome you back to our Home Ranch and share this new experience. From the natural beauty of the Delta, to the handcrafted wines we are proud to produce, we look forward to sharing this all with you.
