BOGLE FAMILY VINEYARDS

2019 PETITE SIRAH PORT

CLARKSBURG

WINEMAKING NOTES	To make our distinctive rubystyle Port, we let the grapes linger on the vine a full month past harvest time. After crush, we interrupt fermentation to fortify the wine with brandy. This process brings sugar and alcohol into perfect balance, concentrating the flavors of Petite Sirah to bring out the grape's rich, sweet flavor.
TASTING NOTES	This Clarksburg Petite Sirah Ruby Port is a luxurious, deep ruby-colored dessert-style wine. The nose is rich with enticing aromas of dark chocolate, mocha, and ripe boysenberry, underpinned by notes of toffee and subtle hint of wild mint. On the palate, this port delivers an indulgent sweetness that is both opulent and well-balanced, leaving a lingering finish. Aged in neutral American oak barrels for 52 months, it offers a refined texture and a smooth, harmonious finish.
FOOD PAIRINGS	This rich wine pairs well with all the classic accompaniments, including chocolate, strawberries and Stilton cheese.
