2024 ROSÉ

CALIFORNIA

WINEMAKING NOTES	Our 2024 Rosé is a true expression of Pinot Noir's elegance, crafted by directly pressing the grapes immediately after being harvested. This gentle approach captures the most delicate, nuanced flavors and lightest color of coral pink, all while preserving the bright aromatics and freshness that define this wine.
TASTING NOTES	This Rosé opens with wild strawberries, rose petals and hints of blood orange. On the palate, it's crisp and refreshing, with bright acidity and silky texture that carries notes of juicy white peach, red berries and watermelon.
FOOD PAIRINGS	Enjoy our Rosé with any light fare or by itself at the pool, patio or kitchen table.
