## BOGLE VINEYARDS

2020 Sauvignon Blanc • California

### FROM OUR WINEMAKER

*Classic techniques, such as cold fermentation in stainless steel tanks and reductive winemaking, showcase the crisp and vibrant character of this Sauvignon Blanc.*

*A lively entry of boxwood and freshly cut grass greets the senses, while ripe, tropical passion fruit softens the mouthfeel. Just a touch of Pinot Grigio combines to create a playful midpalate, while flavors of quince and lime are mouthwatering, from first sip to refreshing finish.*
