

2022 PINOT GRIGIO

CALIFORNIA

WINEMAKING NOTES

With grapes picked early in the harvesting season of 2022, our winemakers cold-fermented this wine in stainless steel tanks to yield this bright and refreshing Pinot Grigio.

TASTING NOTES

Delightfully crisp and incredibly fresh, our Pinot Grigio begs for a patio, some sunshine and your glass! Classic flavors of pear, melon and citrus echo from the aromatics to the palate, while the zing of freshly zested Meyer lemon remains throughout. Orange blossoms and clover honey lead to the delicate finish: light, lean and inspiring.

FOOD PAIRINGS

This sipper is great on its own, but enjoying it with charcuterie, grilled shrimp or canapes would be outstanding.
