# 2022 SPARKLING ROSÉ

CALIFORNIA

*“A glass defying gravity, uplifting and divine  
A pink blush full of smiles, mood bright like sunshine  
Imagine distant memories, stirring blossoms of your spring  
Sip now to toast the future, let your soul begin to sing”*

## WINE TASTING NOTES

Embrace your inner poet when you POP the top and pour yourself a flute of this beautiful sparkling rosé.

Back for a second vintage, this lovely, liting sparkler will brighten any day. A caress of the sweetest pink greets each glass, while notes of juicy clementine and bouquets of fresh spring blossoms cascade along. The flirty bubbles mingle with flavors of summer strawberries and wild melons, while the faintest hint of cotton candy brings a smile with each sip.
