

Dark Watchers

— Los Vigilantes Oscuros —

As a family with roots in medieval Scotland, many believe that a Phantom lurks in our midst here in Clarksburg. The same can be said about the mountains of the Central Coast, where legend tells of sightings of mysterious figures named **Los Vigilantes Oscuros** by early Spanish settlers. Translated literally to **The Dark Watchers**, folklore through the centuries has described tall, dark shadows standing silently among the ridges and outcroppings of the Santa Lucia Highlands. With grapes grown on these fog-covered hillsides, we invite another dark, watchful mystery into your glass.

These wines were made from fruit that was harvested quite late in the season, being some of the last picks for our 2019 vintage. The cooler growing region stretches out the ripening season and allows flavors and tannins to develop nicely.

CABERNET SAUVIGNON

WINEMAKING NOTES

Classic Cabernet Sauvignon aromas of cherry, blackberry and cassis fruit are found in abundance in the glass. Baking spices, vanilla and a touch of mocha result from aging this wine in 1-year-old American oak barrels for 25 months. The cool climate of the Central Coast has produced a wine of ample acidity and structure. This wine will age and evolve for years to come.

APPELLATION

Central Coast. The vineyard is located along a rolling hillside.

SYRAH

WINEMAKING NOTES

Deep in color and flavor, pour a glass of this robust and full-bodied red wine. Grapes grown in Arroyo Seco possess aromatics of blue and blackberry fruits framed with notes of smoked paprika, toasted spice and anise. 26 months of aging in 3-year-old American oak has developed an earthy warmth to this wine's character. Enjoy now or cellar for years to come.

APPELLATION

Arroyo Seco. Planted in rocky riverbed soil.
