# 2020 RESERVE PETITE SIRAH

CLARKSBURG

## WINEMAKING NOTES

Famous for its dark color and bold structure, this Clarksburg Petite Sirah is true to form. From our Lake Winchester vineyard, our winemakers have created a wine of inky color, viscous mouthfeel and a very big finish.

Anise, nutmeg and cranberry fruit showcase the beauty within this Petite Sirah beast. Further taming of our heritage varietal was achieved through nearly 2 years of aging in American oak barrels.

## FOOD PAIRINGS

Featuring this Petite Sirah with roasted leg of lamb and rosemary potatoes will create a memorable meal. Other pairings include aged cheeses, cured meats and warmly spiced accompaniments.

## BARREL PROGRAM

Aged for 22 months in American oak
