2019 RESERVE TEROLDEGO

— SUISUN VALLEY —

WINEMAKING NOTES

Known for its big tannin structure, our winemakers have tamed this Teroldego with an elaborate barrel program. An entry of black cherry, anise and pipe tobacco leads to touches of nutmeg and clove. Rich and long in the mouthfeel, this wine wraps up with faint wisps of crème brulee and toasty vanilla. Enjoy this dark, complex and well-structured wine now or years into the future.

FOOD PAIRINGS

This varietal partners beautifully with rich, full bodied foods. Try a spiced lamb tagine, braised beef bourguignon, or hearty grilled game dishes.
