2019 RESERVE MERLOT

ALEXANDER VALLEY

WINEMAKING NOTES

Our Reserve Merlot showcases beautiful fruit from the Reynoso Vineyard in Alexander Valley. Located in northeastern Sonoma County, these vines are warmed by the Mediterranean-like climate, yet cooled by marine air moving in from the Pacific Ocean. Rolling hillsides and mountain ridges covered with rocky and less fertile soil have created grapes of complexity and concentration.

TASTING NOTES

Deeply opaque and darkly colored in the glass, this Reserve Merlot is full bodied with ample fruit, structure and tannin. Leading with bright cherry and red berry flavors on the plush entry, a luxurious texture lingers with notes of cassis, mocha and black peppercorn. Extended barrel aging in neutral American oak – over 30 months! – created a spicy and sensuous finish you will enjoy to the last sip.

FOOD PAIRINGS

A versatile wine to pair with many food options, we suggest roast chicken and root vegetables, spicy chorizo chili or anything topped with sharp Cheddar cheese.

BARREL PROGRAM

Thirty-two months in neutral American oak barrels

DATE RELEASED

October 2023

APPELLATION

Alexander Valley, Sonoma County, Reynoso Vineyards

WINE PH

3.63

ACIDITY

0.53g/100ml

ALCOHOL

14.5%
