2019 RESERVE MALBEC

EL DORADO COUNTY

WINEMAKING NOTES

Grown on steep slopes in El Dorado County, the Duarte-Georgetown Vineyard produces clusters of Malbec grapes that are thick skinned and darkly concentrated. It loves the elevation, which helps maintain the grape's acidity and complexity.

TASTING NOTES

Notes of heady summer fig and anise waft from the richly colored, blue-tinged glass. Alluring blackberry and blueberry mingle with baking spices while the supple mouthfeel is soft and inviting, yet weighty on the palate. Lush and decadent, with velvety tannins, this wine carries a wonderful structure that will allow it to age for years to come.

FOOD PAIRINGS

This full bodied and rich red wine will pair beautifully with soft and melty blue cheeses, stuffed peppers with wild rice, or red meat with chimichurri.

BARREL PROGRAM

Thirty-three months in neutral American oak

DATE RELEASED

October 2023

APPELLATION

El Dorado County, Duarte Georgetown Vineyard

WINE PH

3.71
